The University Club
One West Fifty-Fourth Street
New York 19, N.Y.

Dear Harold:

My secretary put the wrong return address on my letter enclosing the monograph. That was the address of my daughter. Mine is still the University Club. In response to your request for the Daniels photo, may I suggest that you correspond directly with them on it. I have been after them so often, I'm afraid I'm making a pest of myself and I don't want to loose that contact and friendship.

The man to write to is Howard Chapnick - president Black Star, 450 Park Ave South N.Y.C.

Thanks for the compliments on my letter to Beverly Brunson and the suggestions I will follow them.

Have you seen Joesten's new book, "Oswald, The Truth." He shows pictures taken by Jack Beers - Dallas Morning News, Tom Dillard (Dillard Exhibit C) and Studebaker CE 1301, which prove the Dallas police moved the boxes of the "gun rest". It seems to me you were working on this, as I remember.

Regards
Dick
